

permobil

2GX

Titanium performance.

The 2GX combines the advantages of a modular folding frame with the high strength and vibration dampening characteristics of titanium. Add full adjustability and the 2GX is designed to empower - no matter where you choose to roll.

2GX

Technical Specifications

Frame Features	Titanium Box Frame Folding Modular Design Full Adjustability	Camber	0°, 2°, 4°, or 6°

Modular Design

Optimise your ride with custom configuration. This chair's modular design allows you to add options including after market seating systems, switching fixed and swing away front ends, and growing chair width and / or depth to meet changing user needs.

Custom Configuration

Custom Configuration allows you to add options and components to your chair to meet your needs and to optimise your riding experience. This includes choices of wheels, handrims, tyres, wheel locks, colour, tattoos, and more. TiLite offers more options for the individual.
